

# Pride IN THE NORTH

*Building a Safe and Inclusive  
Community Together*

## Pride in the North Collaborative About Us

Pride in the North is a collaboration between partner organisations in Melbourne's metropolitan North to improve the safety and wellbeing of LGBTIQ+ communities in the Northern Growth Corridor.

Pride in the North is working on a collaborative plan to expand the network's activities, and memberships, for interested members, across partner organisations.

### **Our Vision**

To create an environment in the north of Melbourne where people identifying as LGBTIQ+ feel safe, accepted, proud, and have equal access to a range of health and community services.

### **Benefits**

- Organisation logo displayed on all Pride in the North collateral
- Sharing of LGBTIQ+ related clinical resources, including care plans and referral pathways
- Cross promotion of organisations' LGBTIQ+ events and services
- Inclusion of service details in the Health and Wellbeing Directory
- Support with obtaining and retaining Rainbow Tick accreditation
