

Expressions of interest to join **Pride in the North** collaborative

We are delighted to invite you to join us on the journey to enhance accessibility and safety of local services for LGBTIQ+ people.

Pride in the North is a collaboration between partner organisations to improve the safety and wellbeing of LGBTIQ+ communities in Melbourne's Northern Growth Corridor. You are being contacted because you have either been previously, or currently, involved in Pride in the North, or have been identified as an organisation that can help positively impact lives of LGBTIQ+ people in the Northern Growth Corridor.

This year, Pride in the North is working on a collaborative plan to expand the network's activities, and memberships, for interested members, across partner organisations.

- sharing of LGBTIQ+ related clinical resources, including care plans and referral pathways
- cross promotion of organisations' LGBTIQ+ events and services
