

Are you or is anyone you know experiencing homelessness or worried they might become homeless soon?

DPV Health offer a FREE homelessness service, managed by a team of experienced and committed clinicians specializing in homelessness, social work, and community services. We aim to support people within our community to achieve their life goals and attain suitable affordable, and long-term housing.

The DPV Health Homelessness Service provides case management to people at risk of or already experiencing homelessness. We offer home visits as well as clinic-based and telehealth appointments and can help you create a tailored plan and work alongside you to meet your housing needs and life goals.

Our service is funded by the Department of Families, Fairness and Housing (DFFH).
