

What you need to know about NDIS Funding

NDIS Support Coordination

**Do you need a hand understanding your NDIS funding?
Have you been funded for Support Coordination?
DPV Health Support Coordination team can help!**

DPV Health can help you identify what you have available in your NDIS plan and how you can utilise your plan to its full potential, as well as apply to change your plan if you are not happy.

The team at DPV Health are experienced in assisting people to manage their NDIS plans and funding. Our support coordinators will work with people who require support and assistance to implement and manage their NDIS plans and supports. We research and find the services for you, help link you with the services and inform you on how much funding you have to cover all the different services or supports you are funded for.

The Support coordination team at DPV Health have immediate capacity for:

- Level 2 Support Coordination
- Level 3 Specialist Support Coordination
- Psychosocial recovery Coaches

We offer both male and female coordinators, all with many years' experience, most with lived experience with a family member or child living with a disability.

DPV Health offer CALD Coordinators who speak Arabic, Syrian, French, Marathi, Hindi, Malayalam and Tamil.
