Centre-Based Disability Services Whittlesea

DPV Health are excited to announce our Centre-Based Disability Services are now available in Whittlesea!

Whether you are looking to develop new skills, or simply connect with your community, our Centre-Based Disability Services have something to offer. We believe in creating an inclusive environment where everyone feels valued and supported.

Our team of dedicated professionals is here to provide personalised support tailored to your unique needs and aspirations. From recreational activities and social groups to skill-building workshops and therapeutic services, we have a wide array of programs designed to enrich your life and empower you to reach your full potential.

Come visit us at our new Whittlesea location, where you can tour our new facilities, meet our friendly staff, and explore the many opportunities available to you. We are committed to fostering a community where everyone has the chance to thrive and where differences are celebrated.

We look forward to welcoming you and helping you on your journey towards achieving your goals. Together, we can build a brighter, more inclusive future.
