Food Relief Listing

Hume & Whittlesea Local Government Areas

DPV Health®

Access to nutritious food is essential for health and wellbeing, yet many households in Whittlesea and Hume face challenges in meeting this need. Around 12% of Whittlesea and about 6% of Hume households experience food insecurity. To make a positive difference, DPV Health has created this quick reference guide to help people find local food relief agencies in the Hume and Whittlesea area.

Community members and local organisations are invited to use this resource to assist their clients, participants and families who are seeking support related to food insecurity.

The information in this guide was updated in August 2026. For a comprehensive list of the food relief organisations please scan the QR code.
